

# BONE BUILDER™

A CALCIUM AND TRACE MINERAL COMPLEX

From The Amino Technology Company™

## WHAT IS BONE BUILDER™?

Bone Builder™ is a Calcium and trace mineral complex that has been designed to maintain proper calcium and trace mineral metabolism. Calcium is not just involved in bone repair and maintenance, it is involved in many other biochemical functions, like hormone production, muscle function, fluid balance, tendon and ligament health, and regulating heart beat. Bone Builder™ is formulated to maintenance all of these functions.

## BONE BUILDER™ IS UNIQUELY FORMULATED FOR YOU!

Bone Builder™ contains four types of highly absorbable chelated calcium's balanced and stabilized with supporting vitamins, minerals and amino acids to augment a wider range of biochemical individuality (each persons unique chemistry).

## BONE BUILDER™ MAINTAINS AND REPAIRS BONE TISSUE!

The bone is an organ composed of a number of different types of membranes. The majority is bone tissue, but there is also fatty and haemotagenic membrane in the area of the bone marrow, tight connective tissue in the periosteum, cartilage in the growth zones and the ends of joints. There is also elastic connective tissue in the wall of the blood vessels. Bone Builder™ formula has all of the nutrients needed to maintenance and repair these tissues.

### SUGGESTED USE:

Bone Builder™ is designed for greater absorption and utilization (bioavailability) than other products on the market so a smaller dose

## BONE BUILDER™ CALCIUM AND TRACE MINERAL COMPLEX SUPPORTS:

- BONE DENSITY
- MUSCLE FUNCTION
- TENDON & LIGAMENT HEALTH
- HORMONE PRODUCTION
- REGULATION OF HEART BEAT
- FLUID BALANCE

**Bone Builder™ Ingredients:** Each two capsules contain: Calcium as (Citrate, Hydroxyapatite, Aspartate and Oratate) 245mg, Vitamin C as (sodium ascorbate) 50mg, Vitamin A (Fish Oil) 4000iu, Folic Acid 150mcg. Proprietary blend: 875 mg Potassium/Magnesium Aspartate, Glycine, L-Taurine, Hydrolyzed Collagen, Manganese Citrate, L-Serine, L-Lysine, DL Phenylalanine, Lithium Arginate, Boron Citrate Pyridoxal-5-Phosphate

**Warning: Phenylketonurics;** this product contains phenylalanine.
